SUBJECT: MICHAEL R. SPREITLER

Dear Gene:

Thank you very much for the information on the above named individual. We feel that this is adequate documentation for suspending Mr. Spreitler's registration.

A copy of a paper with his signature would aid in the identification process. If you have a signature on an application or advancement report, please send it for our file.

We would like the outcome of the legal action, once it has been completed. This would then give us a file which would be adequate for refusal of registration anywhere in the country.

Sincerely,

Paul Ernst, Director

Dear Mr. Spreitler:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of membership and the BSA seeks to provide for American youth.

If you wish to have this decision reviewed, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be granted or reinstated. The procedures for review are attached.

Sincerely,

Gene Stone
Scout Executive
